To all Learners / Employers

### **VERY IMPORTANT NOTIFICATION NQF5 – PROFILE OF EVIDENCE**

The following list stipulates the items that students must add in their Portfolio of Evidence when they are ready to book a Practical Assessment.

The Assessor will mark the POE as well as the 6 assignments beforehand to prepare for the Students Practical Assessment.

1. **Copy of ID**
2. **Logbook: Details of L number products used for different treatments**
3. **Please include photos if you can, to assist the Assessor with your Assessment (Optional)**
4. **All inspection reports and work done by the student must be signed off by the supervising pest Management officer**
5. **Report by the Pest Management Officer (mentor) under whose supervision the student has worked**
6. **Certified affidavit from the mentor, confirming the supervision**
7. **The student must attach a copy of the P-registration certificate of the qualified Pest Management Officer under whose supervision he/she has worked**
8. **The student will be tested and assessed thoroughly by the Assessor, please make sure you are ready**

**In the event of a student not being found competent he/she will, at a later date, have to register for a re-assessment at the applicable fee. The Assessor will point out area of improvement.**

**PCITA will include in your package, 2 workbooks to assist you with your progress. These workbooks are Only for your own resources.**

Please make sure that you as student are well prepared.
